Subject: Letter to Send to Potential JV Players

Greetings to all Thomas Worthington and Worthington Kilbourne Class of 2014 and 2015 Ice Hockey Players and Parents,

For the past three years the combined Thomas Worthington and Worthington Kilbourne Ice Hockey Programs have combined to form a Junior Varsity Hockey Team, which competes in the Capital Hockey Conference JV League. Once again we will be participating in the league for the 2009-2010 season.

We would like to invite you to tryout for this team should you be interested in participating. The regular season will run from November through approximately late March or early April. We have scheduled practices for two days a week and hope to play approximately 25 to 35 games. Andrew Crawford, who has coached the JV team for the previous three seasons has agreed to coach the squad again next year.

In addition to this option, for the second year we will be offering a program for incoming first year players for next year in the form of a Junior Varsity program during the months of August, September, and October. For this team, we will schedule approximately 20 games with practices twice per week. Andrew Crawford will also be coaching this team.

Tryouts for both of these teams has been scheduled for as follows:

Saturday, May 9, 2009 from 1:30 to 2:30 pm
Sunday, May 10, 2009 from 10:10 to 11:10 am

Both sessions will be held at the Chiller North. We would ask that any players trying out please arrive no later than forty-five minutes prior to the start of the tryout on Friday night.

Any player who is varsity eligible for next year at either Thomas Worthington or Worthington Kilbourne High School will be allowed to tryout for the team. In addition, any player from outside of the Worthington school district is eligible for the team. However, priority will be given to students enrolled in the Worthington School District and previous JV players from the past two seasons. Bantam age players from within the WSD are also invited to participate in these tryouts.

Please note that the JV Pre-season team will not interfere with the varsity season. The timing has been set so that any new players will have the opportunity to skate for three months prior to their respective varsity tryouts.

The cost for the tryouts will be \$50 and must be paid in full prior to taking the ice for the first night. Players will be notified shortly after the tryouts to inform them if they are invited to join the team.

There will also be an organizational meeting for parents during the first day of the tryouts. Members of the Worthington Ice Hockey Board will be available to answer questions about the program as well as discuss the estimated cost of the program (s).

Should you require any additional information, please feel free to contact either Terry Pike (TWHS) directly at terry.pike@sbcglobal.net or Jeff Fisher (WKHS) at ohfishbone@aol.com.

If you know of any other individuals that we have not been included within this distribution list please feel free to forward the information directly to them. If you do so, I ask that you copy me so that I can add them to our e-mail distribution list.

Regards,
Terry Pike
President Worthington Ice Hockey Board
